Shout Out – House Committee

A big thank you and thumbs up to the all the volunteers on the House Committee, led by John Irvine, who did a wonderful job keeping our club neat and tidy all year long. Their work is all behind the scenes and is very easy to take for granted. This year, in addition to all the usual chores, the committee undertook to clean up the storage room which you can imagine collected a lot of junk over the years.

Shorty Jenkins – Volunteers Needed

The planning is already underway for this year's Shorty Jenkins. Your time and help will be greatly appreciated.
